# OUR DREAM

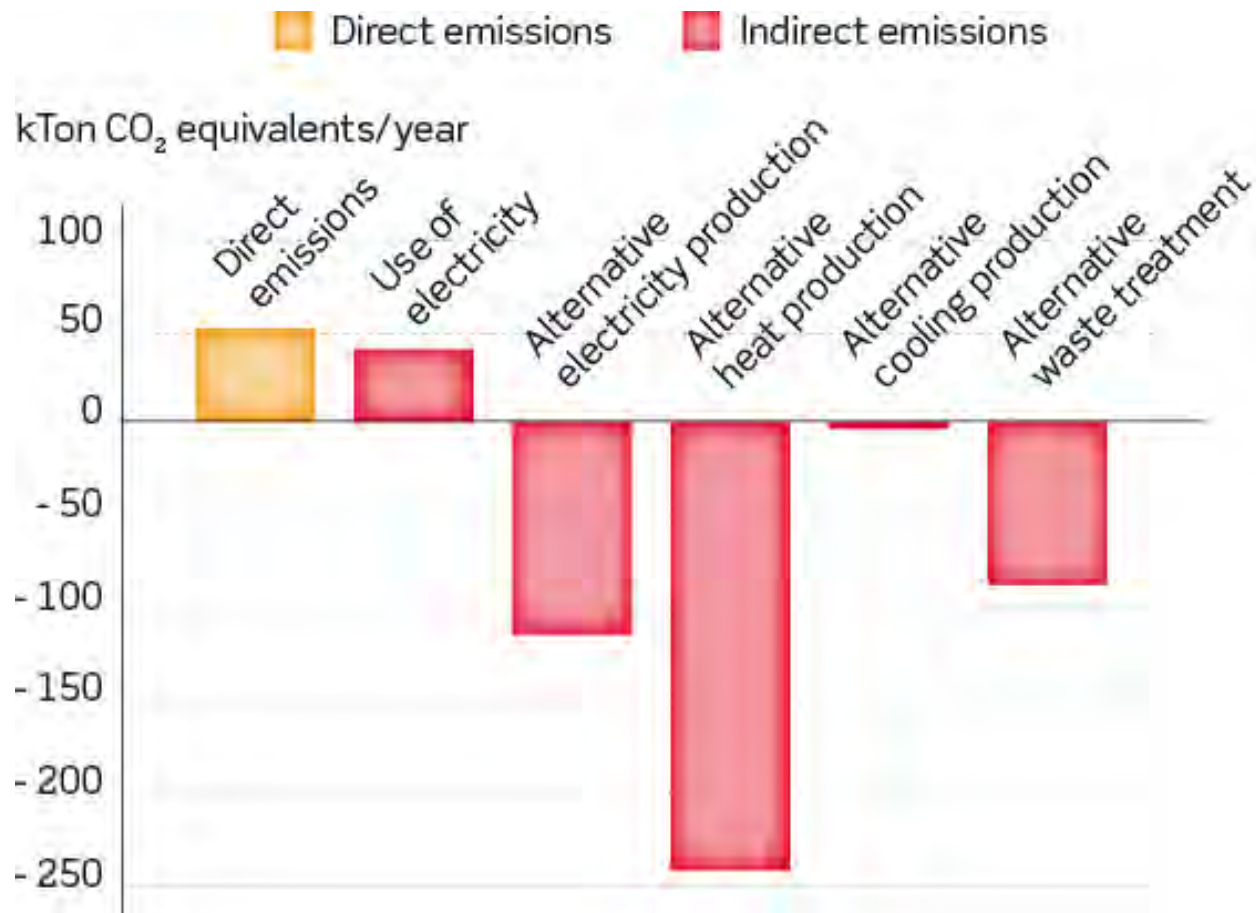

- A CITY FREE FROM FOSSIL FUELS

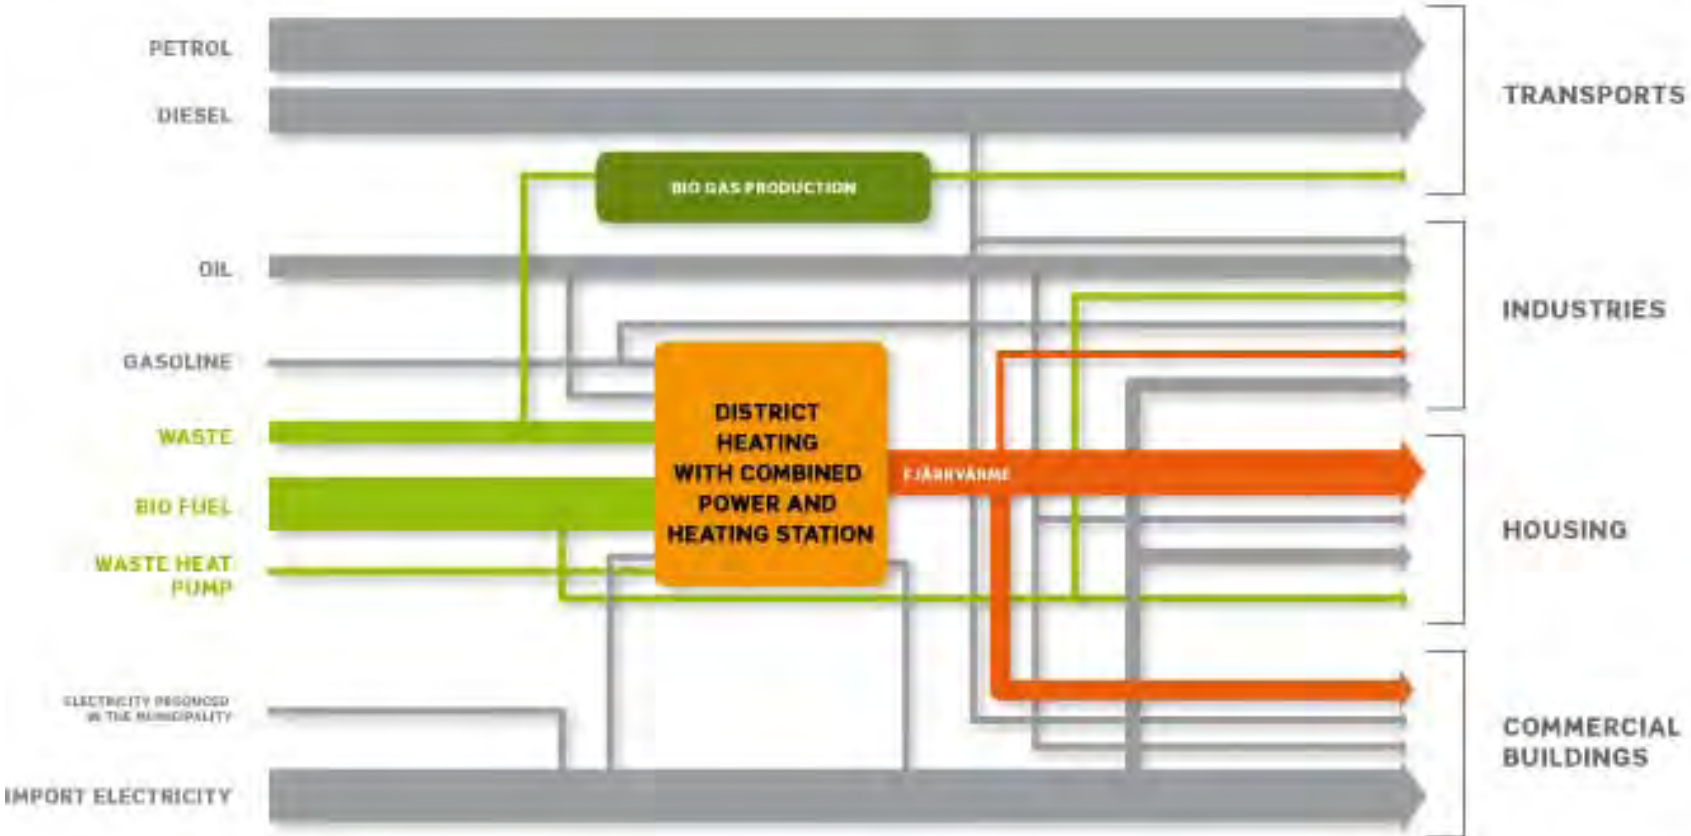

# Borås: the sustainable city

# Direct and indirect emission from BEM's production of district heating and district cooling in 2007

# Energy channels in Borås

# Our challenges

- Replace fossil fuel based heating in Borås.
- Increase the percentage of non-fossil based vehicle fuel.
- Produce more renewable electricity for Borås.
- Save energy!

# 100,000 people working toward the same goal!
