

OUR ADVICE YOUR ADVANTAGE

Session on Energy Tendencies

“How will the Paris Agreement impact EU climate and energy policies”

Vilnius, 18 October 2016

by Jacques Lafitte, Avisa Partners

Paris Agreement

COP21 • CMP11
PARIS 2015
UN CLIMATE CHANGE CONFERENCE

5th of October
2016 approved
by EP

98.5% of
global
greenhouse
gas emissions

12 December
2015 adopted
by 195
countries

5 Dimensions of the Energy Union

Security of
supply

Internal
energy
market

Decarbonisa-
tion

Moderation of
demand

Research and
innovation

ENERGY UNION

Legislative package to be proposed on the 30th November

Energy efficiency
