

1st International Energy Efficiency Forum

How to win on energy efficiency

Warsaw
Draft Agenda

27.10.2009 – 1st Day - Energy Efficiency: tools and proposals

Leading the 1st Day of the Forum:

- ***Denis Givois, President of European Federation of Intelligent Energy Efficiency Services (EFIEES)***
 - ***Valérie Plainemaison, EFIEES' General Secretary***

10.30 - Registration

11.00 - Opening speech:

- Marie-Therese Duffy-Haeusler, Director of the European Commission Representation in Poland;
- prof. Krzysztof Źmijewski, Secretary General of the Public Board for the National Programme of Emission Reductions;
- Jacek Szymczak, President of the management Board, Chamber of Commerce of Polish District Heating

Session I

Energy efficiency: legislation in the EU and in Poland

11.15

Ms. Joanna Strzelec- Łobodzińska, Undersecretary of State, Polish Ministry of Economy,
Subject: Polish strategy of energy efficiency promotion

11.45

Mr Emmanuel Cabau, Policy Officer, DG TREN responsible for the future action plan of energy efficiency

Subject: Existing and planned Community legislative solutions aimed at energy efficiency promotion

12.15 - Lunch

Session II

Practical Dimensions of Energy Efficiency

Upstream: Energy Efficiency in different sectors

13.15

Presentation by a representative of PTEZ (Polish Association of Commercial Heat and Power Plants),
Subject: Power generation efficiency

13:35

Presentation by a representative of IGCP (Chamber of Commerce of Polish District Heating),
Subject: Heat transmission efficiency

13.55

Integration of the energy efficiency in the heat price and tariffs. Hungary and Eastern Europe example:
Tamas Varga, EFIEES

14.15

Presentation by Maria Dreger, Expert, MIWO- Association of Mineral Wool Producers: Glass and Stone

Subject: Efficiency in the building sector

14:35

Presentation by Andrzej Werkowski, President of the Management Board of Polish Chamber of Industrial Energetics and Energy Customers, President of CO2 Forum

Subject: Efficiency in industry

Downstream: ESCO on the client's side

14:55

Examples of ESCO and energy performance contracts: schools and district heating, Vojitech Cervenka, EFIEES

15.15

Indicators of performance in the energy performance contracts: Denis Givois, EFIEES

15.35 - Afternoon coffee break

Session III

Panel discussion

16.00

Moderator: prof. Krzysztof Źmijewski, Secretary General of the Public Board for the National Programme of Emission Reductions

Panel members: representatives of the European Commission and the Ministry of Economy; speakers

17:00 - Conclusions and closing of Day 1 of the Forum

17.10 - Cocktail party

28.10.2009 – 2nd Day - European case study – White Certificates

Leading the IInd Day of the Forum:

- ***Jacek Szymczak, Chamber of Commerce of Polish District Heating***
 - ***Marina Coey, Procesy Inwestycyjne Sp. z o.o.***

9:00 - Registration

9:05 - Opening speech for Day 2 of the Forum

- prof. Krzysztof Źmijewski, Secretary General of the Public Board for the National Programme of Emission Reductions;
- Jacek Szymczak, President of the Management Board, Chamber of Commerce of Polish District Heating

Session I

Energy efficiency programmes across the world

9:20

- White certificates in Europe– practical implementation:
 - Great Britain (OFGEM/DECC),
 - Italy (AEEG),
 - France (ADEME).
- An overview of the functioning of White Certificates schemes in Europe – (to be confirmed);
- Prospects for execution of projects aimed at improving energy efficiency – Richard Cowart, Regulatory Assistance Project Director, European Programs, Vermont, USA;

Session II

White certificates: the Polish proposal

11:00

- The White Certificates System – aims, principles, means of execution– dr Henryk Majchrzak, Director of the Energy Department, Ministry of the Economy;
- The role of the Energy Regulatory Authority in implementation of the energy efficiency programme - dr Mariusz Maciej Swora, President of the Energy Regulatory Authority;
- The actual costs of the White Certificates System - Prof. Krzysztof Żmijewski, Secretary General of the Public Council of the National Programme for Reduction of Emissions;
- The significance of the White Certificates System for end users – sector representative

12:00

Coffee break

Session III

White Certificates – implementation projects

12:20

- Case studies – opinions of the market players

Session IV

White Certificates – ESCO perspective

13:20

- The role of the ESCOs in White Certificates Systems - Paolo Bertoldi, Scientific/Technical Project Officer, DG Joint Research Centre, European Commission;
- ESCO contracts in France, practical experience, Denis Givois,
- White certificates-ESCOs perspective, Italy: Emilie Cayla (EFIEES)
- White Certificates in practice with the use of ESCO mechanism – Janusz Mazur, President of the Management Board, POE ESCO Sp. z o.o.;
- Presentation of ESCO mechanisms in Great Britain - (to be confirmed)

14:20 - Conclusions and closing of Day 2 of the Forum

15:00 - *Accompanying event:*

Inaugural Ceremony of the Public Council of the National Programme for Reduction of Emissions, attended by Mr. Waldemar Pawlak, Deputy Prime Minister and Minister of Economy, and Prof. Jerzy Buzek, President of the Council and President of the European Parliament

16:00 - Cocktail party
