

BALTIC ENERGY FORUM 2020

2020 12 10

Online

The event is moderated by: Naglis Navakas

| Time | Topics | Speaker |
|------------------------|--|---|
| 9:00 – 9:10 | Welcoming word. Objectives of the conference | Rolandas Barysas , Editor-in-chief of Verslo žinios |
| 09.10-09.25 15 min | World Energy Outlook 2020 | Yasmine Arsalane , Power sector modeller at the International Energy Agency (IEA) (France) |
| 09.25-09.30 | Q&A | |
| 09.30-09.50 20 min. | The topic to be confirmed | Kadri Simson , European Commissioner for Energy |
| 09.50-09.55 | Q&A | |
| 09.55-10.15 20 min. | Minister's agenda, status quo and development of synchronization | <i>Minister of Energy of Lithuania</i> |
| 10.15-10.20 | Q&A | |
| 10.20-10.35 15 min. | Three keywords that define the agenda of each energy sector CEO in faster than ever-changing energy sector – Security, Integration and Transformation | Rolandas Zukas , CEO at EPSO-G |
| 10.35-10.40 | Q&A | |
| 10.40-10.55 15 min. | Road to green energy: Poland transformation in seek of sustainability | Diana Kazakevič , Head of Region for Ignitis Group in Poland (Poland) |
| 10.55-11.00 | Q&A | |
| 11.00-11.15 15 min. | The development of the regional gas market: how will the gas interconnection Poland-Lithuania affect it? | Nemunas Biknius , CEO at Amber Grid |
| 11.15-11.20 | Q&A | |
| 11.20-11.50 | Break | |
| 11.50-12.20 30 min. | The necessity for a budget-neutral environmental tax reform in Lithuania | Martynas Nagevičius , President at Lithuanian Confederation Of Renewable Resources Simonas Gentvilas , Member of Parliament's Environment Committee Ramūnas Miliuskas , CEO at Achema |
| 12.20-12.25 | Q&A | |
| 12.25-12.45 20 min. | Financing green energy projects: new strategy of EIB | Marco Francini , Head of Office at regional EIB Group Office for Baltics (Luxembourg) |
| 12.45-12.50 | Q&A | |
| 12.50-13.10 20 min | The topic to be confirmed | Giles Dickson , the CEO of Wind Europe (Belgium) |
| 13.10-13.15 | Q&A | |
| 13.15-13.30 15 min. | Baltic Sea offshore grid development: major milestones for market players, technology developers and investors | Liutauras Varanavičius , Head of Strategy Department at "Litgrid" |
| 13.30-13.35 | Q&A | |
| 13.35-14.05 30 min. | Wind energy outlook and perspectives | Discussion: Aistis Radavičius , CEO at Lithuanian Wind power association Liutauras Varanavičius , Head of Strategy Department at "Litgrid" Ignitis (TBD) Emmanuel Timmermans , Business development manager at Rebo terminal, Oostende (Belgium) |
| 14.05-14.10 | Q&A | |

| | | |
|-----------------------|--|---|
| 14.10-14.30 20 min | Not alone in the Baltics: what will set the long-term power price – wind or interconnectors | PhD Vija Pakalkaitė , Head of continental Market Analysis at “Wattsight” (Germany) |
| 14.30-14.35 | Q&A | |
| 14.35-14.55 | Break | |
| 14.55-15.10 15 min | Energy innovations in the Ignitis Group. The path from idea to decision | Paulius Kozlovas , Head of Innovation Development Department at Ignitis Group |
| 15.10-15.15 | Q&A | |
| 15.15-15.30 15 min | Energy decarbonization & sector coupling – the role of green gases: hydrogen and biomethane. Opportunities and challenges for Lithuania | Vytautas Ruolia , Commercial director at Amber Grid |
| 15.30-15.35 | Q&A | |
| 15.35-15.50 15 min | Year with solar parks. What breakthrough happened in the market? | Andrius Kavaliauskas , Private clients department manager at Ignitis |
| 15.55-16.00 | Q&A | |
| 16.00-16.30 30 min | Solar energy outlook and perspectives | Discussion: Vitas Mačiulis , President at Lithuanian Solar Energy Association Julius Sakalauskas , Solitek CEO Ruslanas Sklepovičius , CEO of Green Genius and board member of Modus Group |
